Change of shares code

Dear shareholders

The change of our companies name into Swiss Fintec Invest AG (formerly: wee.com AG) was decided on the shareholder`s meeting dating from 12.07.2018. For this reason we have filed an application to Euronext Paris for transformation of the name. Our query was approved and the companies name modified. Accordingly, the **share code** was converted into **MLSFI** (formerly: MLWEE). The ISIN code stayed the same: CH0309050059.

Please note the aforementioned information.

Kind regards

Swiss Fintec Invest AG
