EURONEXT

Dear Shareholders

On April 16, 2019, the Board of Directors was informed about a measure taken by EURONEXT, which firstly discontinued the trading of our shares, and secondly announced that they would be delisted on June 24, 2019.

This unilateral measure taken by EURONEXT came as a complete surprise to us, as we believe that we have complied with all stock exchange and regulatory requirements at all times. For this reason, we are working hard to find out the reasons for this unilateral measure of EURONEXT in cooperation with our list sponsor (our representative on the stock exchange) and our lawyers.

The Board of Directors of Swiss Fintec Invest AG would like to apologize for the inconvenience caused and for the fact that, for the time being, you will no longer be able to trade your shares via EURONEXT. At the same time, however, we can assure you that the value of your shares will not be affected by this measure and that your shareholder rights will not be impaired in any way.

Since April 16, the Board of Directors has been working intensively to find and implement alternatives to share trading and listing.

We will contact you as soon as possible when we have new information.

Thank you again for your understanding.

Yours sincerely,

Ewald Schmutz
Secretary
Swiss Fintec Invest AG
